**Kinzo** Desks that seek to rise above their station just might be inspired by the **Air 202**. Taking its lead from space travel, the chiseled piece hovers in white lacquer or laminate with tubular steel, powder-coated leg supports. This dual workstation completely conceals cable management within the unit. That's a giant step for desk-kind. 49-30-71099390; kinzo-air.com. **circle 550** ➤
